

Annual Family Law Year in Review

presented by: **Todd Bell**

Todd Bell will review new case law developments in 2020 and up until June 2021

About Todd Bell: Todd Bell is an experienced, effective litigator and trial lawyer. He also mediates, arbitrates, and settles matters through various forms of agreement. Todd has wide-ranging courtroom experience spanning all levels of Court in British Columbia. Todd's practice areas include the division of high-net-worth assets including complex corporate structures, trusts, real estate, and pensions. He also does income determination, often in complex financial circumstances for the purposes of child and spousal support. He practices in all manner of parenting and custody litigation, including relocation, *Hague Convention* matters, adoption, and emergency protection from family violence.
